

We are a volunteer non-profit organization (501c3) of individuals and families who feel that our public library is a very special place that provides a vital community service. As a member of the Friends, you help support the library through advocacy, fundraising, and giving back to your community. Friends are always needed as volunteers at various library programs and events, fundraising efforts, holiday decorating, and more. We appreciate your financial support as well as your volunteer time, no matter how big or how small!

Annual membership extends April 1, 2022 to March 31, 2023.

Please take a moment to complete this form and become a **Friend of the Bloomfield Public Library**, or **renew your membership today**. Every dollar goes towards additional programs, services, and materials that the library budget does not permit or include.
