INVESTMENT POLICY

Adopted: 12/12/2022. Revised: 12/16/24

SCOPE

This investment policy applies to all monies and other financial resources available for deposit and investment by the Bloomfield Public Library on its own behalf.

OBJECTIVE

The primary objectives of the Bloomfield Public Library's investment activities are, in priority order:

- To conform with all applicable federal, State and other legal requirements (legality);
- To adequately safeguard principal (safety);
- To provide sufficient liquidity to meet all operating requirements (liquidity) and
- To obtain a reasonable rate of return (yield)

DELEGATION OF AUTHORITY

The governing board's responsibility for administration of the investment program is delegated to the library's Treasurer who shall establish written procedures for the operation of the investment program consistent with these investment policies. Such procedures shall include internal controls to provide a satisfactory level of accountability based upon records incorporating the description and amounts of investments, the fund(s) for which they are held, the place(s) where kept, and other relevant information, including dates of sale or other dispositions and amounts realized. In addition, the internal control procedures shall describe the responsibilities and levels of authority for key individuals involved in the investment program.

PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Bloomfield Public Library to govern effectively.

Investments shall be made with prudence, diligence, skill, judgment and care, under circumstances then prevailing, which knowledgeable and prudent persons acting in like capacity would use, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.

DIVERSIFICATION

It is the policy of the Bloomfield Public Library to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

The governing board shall establish appropriate limits for the amount of investments which can be made with each financial institution or dealer, and shall evaluate this listing at least annually.

INTERNAL CONTROLS

It is the policy of the Bloomfield Public Library for all moneys collected by any officer or employee of the government to transfer those funds to the Treasurer within three days of deposit, or within the time period specified in law, whichever is shorter.

The treasurer is responsible for establishing and maintaining internal control procedures to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization, properly recorded, and managed in compliance with applicable laws and regulations.

DESIGNATION OF DEPOSITARIES

The banks and trust companies that are authorized for the deposit of moneys, and the maximum amount which may be kept on deposit at any time, are:

Depository Name	Maximum Amount	Officer
Canandaigua National Bank	No restrictions at this point	President, Treasurer. Financial Officer

SECURING DEPOSITS AND INVESTMENTS

All deposits and investments at a bank or trust company, including all demand deposits, certificates of deposit and special time deposits (hereinafter, collectively, "deposits") made by officers of the Bloomfield Public Library that are in excess of the amount insured under the

provisions of the Federal Deposit Insurance Act, including pursuant to a Deposit Placement Program in accordance with law, shall be secured by:

1. A pledge of “eligible securities” with an aggregate “market value” (as provided by the GML Section 10) that is at least equal to the aggregate amount of deposits by the officers. See Schedule A of this policy for a listing of “eligible securities.”

COLLATERALIZATION AND SAFEKEEPING

Eligible securities used for collateralizing deposits made by officers of the Bloomfield Public Library shall be held by the depository bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities (or the pro rata portion of a pool of eligible securities) are being pledged to secure such deposits together with agreed-upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon a default. It shall also provide the conditions under which the securities (or pro rata portion of a pool of eligible securities) held may be sold, presented for payment, substituted or released and the events of default which will enable the local government to exercise its rights against the pledged securities.

In the event that the pledged securities are not registered or inscribed in the name of the Bloomfield Public Library, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to the Bloomfield Public Library or the custodial bank or trust company. Whenever eligible securities delivered to the custodial bank or trust company are transferred by entries on the books of a federal reserve bank or other book-entry system operated by a federally regulated entity without physical delivery of the evidence of the obligations, then the records of the custodial bank or trust company shall be required to show, at all times, the interest of the local government in the securities (or the pro rata portion of a pool of eligible securities) as set forth in the security agreement.

The custodial agreement shall provide that pledged securities (or the pro rata portion of a pool of eligible securities) will be held by the custodial bank or trust company as agent of, and custodian for, the (unit of government), will be kept separate and apart from the general assets of the custodial bank or trust company and will not be commingled with or become part of the backing of any other deposit or other bank liability. The agreement shall also describe how the custodian shall confirm the receipt, substitution or release of the collateral and it shall provide for the frequency of revaluation of collateral by the custodial bank or trust company and for the substitution of collateral when a change in the rating of a security causes ineligibility. The security and custodial agreements shall also include all other provisions necessary to provide the (unit of government) with a perfected security interest in the eligible securities and to otherwise

secure the local government's interest in the collateral, and may contain other provisions that the governing board deems necessary.

Time deposit accounts and certificates of deposit shall be payable within such times as the proceeds will be needed to meet expenditures for which the moneys were obtained, and shall be secured as described in this policy.

Except as may otherwise be provided in a contract with bondholders or noteholders, any moneys of the Bloomfield Public Library authorized to be invested may be commingled for investment purposes, provided that any investment of commingled moneys shall be payable or redeemable at the option of the Bloomfield Public Library within such time as the proceeds shall be needed to meet expenditures for which such moneys were obtained, or as otherwise specifically provided in General Municipal Law Section 11. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

All financial institutions and dealers with which the Bloomfield Public Library transacts business shall be creditworthy, and have an appropriate level of experience, capitalization, size and other factors that make the financial institution or the dealer capable and qualified to transact business with the Bloomfield Public Library. The Treasurer shall evaluate the financial position and maintain a listing of proposed depositories, trading partners, and custodians.

Recent Reports of Condition and Income (call reports) shall be obtained for proposed banks, and

security dealers that are not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers.

The Treasurer is authorized to contract for the purchase of investments:

2. By participation in a cooperative investment agreement with other authorized municipal corporations pursuant to Article 5-G of the General Municipal Law and in accordance with Article 3-A of the General Municipal Law.

All such transactions shall be confirmed in writing to the Bloomfield Public Library by the bank or trust company.

The agreement shall also describe how the custodian shall confirm the receipt and release of the securities.

Such agreement shall include all provisions necessary to secure the local government's perfected interest in the securities, and the agreement may also contain other provisions that the governing board deems necessary. The security and custodial agreements shall also include all other provisions necessary to provide the Bloomfield Public Library with a perfected interest in the securities.

The Treasurer, where authorized, can direct the bank or trust company to register and hold the evidences of investments in the name of its nominee, or may deposit or authorize the bank or trust company to deposit, or arrange for the deposit of any such evidences of investments with a federal reserve bank or other book-entry transfer system operated by a federally regulated entity. The records of the bank or trust company shall show, at all times, the ownership of such

evidences of investments, and they shall be, when held in the possession of the bank or trust company, at all times, kept separate from the assets of the bank or trust company.

All evidences of investments delivered to a bank or trust company shall be held by the bank or trust company pursuant to a written custodial agreement as set forth in General Municipal Law Section 10(3) (a), and as described earlier in this section. When any such evidences of investments are so registered in the name of a nominee, the bank or trust company shall be absolutely liable for any loss occasioned by the acts of such nominee with respect to such evidences of investments.
